Be with the state of the state oer te mee ing is to Lo hall in Warren. It selves. It is the company want be pursualed s in that our political friends there have fall- to act with time liberality than has heretolare caling some misuaders and in among the necessaries of them in their actions towards us, s hes. The subject of controversy is, as hir as we have force their personal as long enough. as we mill retain 12, exceedingly trivial-be. It would be well enough for them to remain for ing in regard to the instruction of the dole, that there are other channels by which we can gates to the 8th of January Convention. We reach a nearket. We are let a peaceable adjus'are uninformed as to the wishe of the De- ment, if one can be had; if not, we should a first mocracy of Warren upon the subject, except it ourselves. as expressed in the residutions of the meeting. the proceedings of which we have heretofore published; but, in our judgment, it would be | Epitor Yi may: I see in a late number of well if the delegates of all the counties were your paper the name of Rebt. McKee, Esp., of Ist uninstructed and untrammelled in their Maysville, legally recommended to the 8th of action in the State Convention. Our friends January Convention for Aulitor of Public Acin Warren should settle this marter at pues, counter. unless they are ambitions of acquiring similar can induse every woul of the writer. As a book-I oteriety to the "Hards" and "Selts" of New keeper and accountant, he stands in trpassed York Democracy. We should dislike to see He is remarkable for it dustry and promptness, althe harmony of the 5th of January Conven- ways having his books up with his business, and tion disturbed at the start by a contest be- his business up with the demands. He is honest, tween two sets of delegates from one county just, and faithful, and his Democracy is unquesfor the right to a seat.

Unless some stronger reason exists for set- necessiry to the discharge of every duty pertainting as le the action of the late in eting in lag to the effice. So what more can be said of Warren than the mere question of the propriety of instructing delegates to vote for any one of the aspirants for office, we think it claims of any one, his cannot be too strongly urgonal by well to will deposit the call for any one. And I firmly believe, that if he should be would be well to withdraw the call for another meeting, and let the action of the first meeting stand, aithough the party may not have been fully represented in it. These little musses look bad and read bad in print, and are (The jury in the case of the Commonunworthy of the Democratic party and its wealth vs. Hall, for the murder of Dr. Taylor, high mission.

ilress to the corporators of the Kentucky to stand-seven for ten years in the peniten-River Navigation Company to be found in another part of this paper. It is a most able years. Hall was then admitted to bail in the document, and we bespeak for it an attentive sum of \$5,000. consideration from the people of Frankfort, subject upon which it treats.

Hor the Yeaman. Alfred Smith for Auditor.

Editor Yeoman : The office of State Auditor ocing one among the most important positions of an executive and ministerial character, doubt, less requires a man of superior capacity and storling fidelity to discharge its important duties; and .\$4 (II while we admit, or are free to say, that we would not speak in disparagement of other Democratic friends whose names may be brought before the Franklort Convention on the 5th of January wext, we are well satisfiel that Mr. Altrel Snuth, of Rocke isthe, pessesses all the qualifications requithe recoff the slaver Reso, about being tried in site to the discharging the dates of that most the Februal Court in this district, has made itself countries, thus early, in the State Senate, in the language from the great State of Kentucky. The du fill wing resolutions, introduced into their body this of the office would be hone thy, faithfully, Reserved. That there is little mef the United and ally discharged by him. Another in per-Sinces contains no great of power to regulate, tant item to be considered, in order to the prevent, or restrict conuncice among fore in manifesture success and prosperity of the great Demtions; and, therefore, allocts of Congress is right-ing to redebit or interfere with the slave trade between loreign constitutional, at the very right later would meet the approparion of the mountain at the very right later or effect. sections of the State with more unmainety than Resolved. That the etail Congress, declaring the stave trade to be pirary. If it be innerstood as a limit of the title provint be nature of this s. in that serve the constraint in carries what is not all and social character, steady and agright in his the; and miss means it prepares and intends to habits, a main for the people, and the people's

NOTICE!

NOTICE!

() It the 14th November, 1855, a negro man, calling hims of NED, was committed to the Hancock Cante Jall, at Thowevelle, Ky., as a runaway slave, It would seem, from papers in his post scion, with the samplares torn oil, that his name is SAM. The only thing upon the passes to indicate where he is from is Latech county, without any State named. The negro is 5 feet 9 inches high; weighs 186 hs; color black; 5 sears on his back, as if made by the lash; a sear on lids right leg, which he says was from the bite of a dog. Dress, 2 add panasceats—and blur, the other a brown tark color, wold lat, coarse shoes, jeans pants, and striped around the leg; plays pretty well on the fiddle.

The owner can come forward, prove property, pay charges, and take him away, or otherwise he will be dealt with according to law.

J. M. OLDHAM,

dec2 wom

J. M. OLDHAM, Jailer of Hancock County.

It is emblerely asserted by partial 1 additional locks and darks are completed, the trans intation trade would be it reason to for times its former limits, and sell further here excl reality credited by all who are finiture with the resources of the Kentucky and instributaries. Surpaising that, at its fird completion, its fora-er average business should be passed on an average through only ten of the lo ks, and at the same rate of tall per mile new charged, the haun' gloss receipts wou'l then amount to \$15%,-000; delust from this the annual cost of loots there remains a net reverse of \$114,000, or a It is contidently believed that the besiness and its proceeds will far exceed this estimate of

During the year 1-47 there were five stemaboats running in the tribe, making 324 tribs, and paying a revenue in talls of \$45,729 91 on the following items of transportation, viz: 0,781 tons of freight; sun irv lots of luri ture, farming utensils, &c., and 24,221 burrels of salt, fish, and other wet barrels cerried up the river. On 13 2 13 tons of freight, 5,273 kegs of lard, surley lots of furniture, firming atoms?s, &c.; 27.6.8 sicks of com and wheat; 2.141 hads of toberon; 5,917 barrels of beet, book, at 1 land carried down the river; and on 21,551 cabin passengers, 4,944 children and dockers, 447 horses, mules, and cut-tle; 4.397 barrels, and 4.325 dry b reels carried mp and down the river. There was received from flats, rafts, &c., \$908 55, making the total receints from five locks and dams for the year 1-17, \$49,63- 77.

By the conditions of the act of incorporation, the five locks and dams on the lower part of the river, now owned by the State, when surrendered to the Company, won'd east them an animal ren of \$1.735 33, echivalent to a capital of about \$3 (,0 b) at six per cent interest. The estimated cost of the proposed extension is \$500,000, making the cost to the Company of the whole line from the Ohio river to the Forks \$53,000, or about \$3,230 per mile. In comparison with the other works this is a small expenditure for an improvement of such extent and capacity

The two latter have a water surface width of

sixty feet; the others are only about forty feet

long-the low water surface line of which is 4 10 wide, with 6 feet of water in the locks, will cost

The average cost of railroads in the United States is about \$10,000 per nale. The Louis-ville and Frankfurt Railroad cost about \$25,004, and the Cavington and Lexington Railroad \$38,-Od 1 per mile, equipped.
